i GET IT Overview

The screenshot displays the iGET IT website interface. At the top, the logo "iGET IT" is followed by the tagline "The Engineering Knowledge Management Portal". A navigation bar contains links for Home, Courses, Certifications, Solutions, Features, Company, and Support. A search bar on the right is powered by Google. On the left side, there is a shopping cart icon indicating "0 item(s) in your cart" and a "Check Out" button. Below the cart are logos for MasterCard, VISA, AMEX, and DISCOVER. A sidebar menu lists various training categories under "Autodesk Training", "CATIA Training", and "NX Training". The main content area, titled "Courses", features a grid of six course cards. Each card includes a thumbnail image, a title, a list of features, and a green "Details" button with a right-pointing arrow.
