

Company Summary:

Aras Corporation is a fast moving high tech start-up that delivers innovative software solutions to leading companies such as Motorola, Lockheed Martin, Rolls-Royce, Delphi, and Xerox. Aras provides business software to improve new product development and introduction for greater collaboration and faster time to market. The software is an advanced Web-based SOA technology available as Enterprise Open Source providing Aras with a highly disruptive position in the marketplace and enabling an aggressive high tech marketing strategy.

Position Description:

This is a unique opportunity for the right person to create a leadership role in an emerging software technology company. We are looking for a Product Manager who can conceive of, develop and deliver innovative, and compelling new software solutions for Product Lifecycle Management (PLM), Enterprise Quality Management (EQM), Advanced Product Quality Planning (APQP) and Program Management. The ideal candidate will be a hands-on technical leader with a strong understanding of marketing

- Meet with customers to demonstrate new and future functionality
- Develop specifications and do all programming of prototype solutions of customer requested functionality
- Stay current on industry trends and lead Aras Corporation into new vertical markets, new solution spaces by developing technical and marketing plans for new product launches
- Manage multiple simultaneous projects effectively and deliver on time

Requirements:

- Bachelor's Degree in Electrical, Mechanical or Software Engineering
- Deep knowledge Product Lifecycle Management (PLM), new product development, quality management, and/or manufacturing industry
- Familiarity with different written communication structures for marketing communications, product marketing, industry marketing, and corporate blogging
- Understanding of building online communities and web-based marketing techniques
- Interest in learning about emerging high tech markets such as SOA and enterprise open source
- Desire to take charge and make things happen
- Thrives on thinking "out-of-the-box"

Aras offers a competitive compensation package, and an entrepreneurial environment where success is rewarded and innovation is encouraged. No relocation is offered for this position. No phone calls please. Qualified applicants should respond via email to kschroer@aras.com.

Aras is an equal opportunity employer.
