With the launch in China, now corporate community members in Asia have the support they need to expand. Also, the [HDTV](#) is up for grabs, but only until until March 31st!!!

LAUNCH - Aras Launches in Greater China!

Last week Aras was launched in Greater China. The interest level in the Microsoft open approach for PLM and Quality management solutions is particularly high throughout the region.

Microsoft Taiwan hosted the launch event held by our strategic partner Broadway Consulting Services. Attendance was strong with companies coming to learn how they can take advantage of the Aras solutions to improve product development collaboration and innovation.

There was a lot of focus on competing globally and how businesses across Asia are going to continue to grow their business in the years to come... Innovative, High Quality New Products!

That's why so many businesses in the region are interested in the advanced PLM solutions from Aras. They already prefer the Microsoft platform and now...

WIN-WIN - 50" Plasma HDTV!!!

The chances of winning the VIZIO 50" Plasma HDTV are still really good!!!

March 31, 2008 the contest ends so there's still time, but not for long.

People get excited when they learn about Aras, and all you need to do is let them know to get a chance to win.

It's easy! Just invite friends and colleagues at other companies to join the Aras community. The more referrals you make, the better your chances to win!

By doing so, they can take advantage of the Microsoft open approach and the power of Aras Innovator, the most advanced model-based enterprise SOA solutions available for enterprise PLM, APQP, new product development & introduction, and quality systems compliance.

SAVE THE DATE - Aras Community Network Event April 29th 2008

April 29th 2008 (Tuesday)... Mark your calendars!!!

We are finalizing plans now for the next Aras Community Network Event! With over 4,500 people in the corporate community we have had to search for a host company with a large enough auditorium to fit.

We really want to keep the event centrally located and so we are working on the Chicago area again.

We will be announcing final location, speakers, and much more in the weeks to come, but for now... save the date, and we can't wait to see you!

UPCOMING - Training Sessions & Discovery Seminars

Training sessions provide you and your team with the education needed for success with the Aras Innovator solutions, and discovery seminars help you explore the possibilities of how Aras solutions can support your company's specific strategic initiatives.

Both types of sessions combine hands-on exercises, overview presentations, and discussions to provide an in-depth understanding of the Aras solutions.

Space is limited so make plans & register now.

Upcoming Training Sessions - Boston, MA
