International Event – Spring 2008

May 7, 2008

WEDNESDAY

Collaborate, Connect, Learn

Don't miss the Aras Community Network international event – One Day Only!

Business and IT professionals from all over are coming to meet and learn from each other on a wide range of topics related to the advanced Aras Innovator enterprise open solutions and how to apply best practices to deliver results.

- Learn best practices from industry leading companies
- Hear about Aras Innovator first hand from Aras
- Plan collaborative development initiatives
- Network with other Innovators

Session Topics

Presentations and breakout sessions will cover a wide variety of business and technology topics ranging from new product development & introduction and compliance to solution integrations and much more.

Learn first hand from executives & professionals just like yourself who are using Aras Innovator to support critical business processes and practices. Topics will include:

- GLOBAL GROWTH: *Innovation & Time to Market Lead the Way*
- INTEGRATED ENTERPRISE: *SAP Integration Strategies*
- CONQUERING COMPLEXITY: *Managing Product Variants & Options*
- MULTINATIONAL COLLABORATION: *Best Practices Knowledgebase Success*
- CORPORATE TRANSFORMATION: *Moving from Paper to Innovator*
- STAY TUNED: More topics to be announced

Who Should Attend

Whether you're a business executive at a division of a large enterprise, a manager at a mid-sized company, or the IT pro at a start-up, you'll get valuable information and insight necessary to achieve success with the Aras Innovator solutions.
